### Commission Hosts Technical Conference on USPS Performance Measurement Data

**Washington, DC** – The Postal Regulatory Commission will host an off-the-record technical conference on August 26, 2016, at 10:00 am in the hearing room at Commission offices, 901 New York Ave. NW, Suite 200 Washington, DC 20268, to discuss data represented in the Postal Service's first two quarterly reports on its service performance measurement systems proposals for Market Dominant products. Representatives from the Postal Service will discuss the quarterly service performance reports and be available to answer questions relating to the data.

The technical conference is open to all persons interested in the Postal Service's Service Performance Measurement Plan and will be [web and video cast](#) in its entirety on the Commission's website, [www.prc.gov](http://www.prc.gov).

All files related to this technical conference are located under Docket No. [PI2015-1](#).

*The Postal Regulatory Commission is an independent federal agency that provides regulatory oversight over the U.S. Postal Service to ensure the transparency and accountability of the Postal Service and foster a vital and efficient universal mail system. The Commission is comprised of five Presidentially-appointed and Senate-confirmed Commissioners, each serving terms of six years. The Chairman is designated by the President. In addition to Acting Chairman Robert G. Taub, the other commissioners are Vice Chairman Nanci Langley and Commissioners Mark Acton and Tony Hammond. Follow the PRC on [Twitter: @PostalRegulator](#)*
